Green River College Commencement Photographs Friday, June 16, 2023

Cap & Gown Portraits

Portraits will be created on campus before and after each information/rehearsal session on June 13. This is recommended as commencement day can get hectic. A 'mini studio' complete with background and lighting will also be set up at your event location behind the stage prior to commencement. Appointments may be reserved every 5 minutes prior to commencement. Call the studio for your appointment time.

Commencement Stage Candid

Your moment on stage receiving your diploma will be photographed for all graduates.

Commencement Stage Candid

Our experienced photographers have the best location and know the precise moment to capture this once in a lifetime moment. This classic photo is created as each graduate is on stage receiving their diploma. All pre-ordered candid include the school logo and year. On-line orders are without graphics.

Display Plaque

The 8x10 plaque is made of cherry wood and finished off with a concaved edge. Once the composite is mounted, it's covered with an acrylic piece and held in place with four brass tacks, lasting for years to come.
