Commencement Stage Candid

Our experienced photographers have the best location and know the precise moment to capture this once in a lifetime moment. This classic photo is created as each graduate is on stage receiving their diploma. All pre-ordered candid include the school logo and year. On-line orders are without graphics.

Display Plaque

The 8x10 plaque is made of cherry wood and finished off with a concaved edge. Once the composite is mounted, it's covered with an acrylic piece and held in place with four brass tacks, lasting for years to come.
