

Class of 2021,

Based on the governors guidelines Darel Roa Photography has been seeing clients at our studio for commencement cap & gown photos. We are excited to now offer the graduating class of 2021 the opportunity to have quality graduate portraits created to capture your special accomplishments on your campus.

In preparation for serving our wonderful clientele the following steps are implemented:

- Six foot distancing between individuals
- Alcohol based wipes, alcohol based spray bottles, hand soap, and disposable paper drying towels are readily available for client and staff use
- Face masks or shields may be worn when entering, leaving and during conversational times of your time in line.
- Masks may be removed for the actual portrait session
- Anyone not feeling well is asked to cancel and reschedule their appointment for a future date at our studio
- Payment recommended by credit, debit, Apple Pay, (cash only if necessary) swiping devices are wiped prior to and after each use
- Clients are asked to bring their own makeup, hair brush, mirror and any personal props such as graduation cap, tassel, gown, and diploma cover.
- We have demo diploma covers for many schools including your school which can be used with sanitation between each user.
- Allow extra time. We normally are a very 'hands-on' personal service routinely making modest adjustments of details with our clients as in adjusting caps & tassels for graduation portraits. With social distancing we will try to simply talk you through the desired adjustments from about 8' away.

We appreciate the opportunity to provide quality images for you. We have continued to serve Highline College commencements for 10 years! Thank you for helping to make this year a safe and pleasing experience.

Appointments are NOW being accepted for portrait sessions at the studio if you are unable to make it on on your commencement day. You may reserve your session time with a non-refundable \$10 portrait reservation fee that applies towards your order. Sessions are available starting at 10am and ending most days at 6pm. IF an evening is better for you, please inquire. This brochure contains special prices for commencement cap & gown sessions only and are not our regular studio prices.

Congratulations to the Class of 2021 graduates.
